

XXX

Pitch Deck

“AI technology” is the new normal

Deploying a Machine Learning service-based solution at the operational level can increase efficiency by 10% to 20% in just two days.

Yet, according to McKinsey's 'The state of AI in 2020' report, only 50% of worldwide companies have adopted AI and Machine Learning solutions.

Biggest shortcoming faced by companies when adopting AI technology is the lack of expertise and understanding of the technology.

Problems with the current -----

Lack of technological knowledge

Too complicated Solution to use

Expensive In-house Tech Workforce

Unaware of the use case required

Slow Spread

Percentage of firms that say they are using or testing specific "-----"

Artificial Intelligence Adoption and ---

Adoption of AI is heavily skewed towards big companies.

Introducing XXX

XXX is an R&D and Product-Technology Company established in 2019. we are established in -----

AI (Artificial Intelligence)

Machine Learning & Deep Learning

Data Science

IoT (Internet of Things)

Big Data

Biometrics

Blockchain

Robotics

Our Motto

Mindset

We believe that the confluence of human creativity and technology can solve big problems.

Mission

Our mission is to advance humanity by solving the most challenging problems of organizations, governments, and people through creativity and technology.

Our Solutions

Customizable Solutions

We have a versatile range of AI-driven products that can be customized to suit the client's requirements.

Team of Experts

XXX is home to many experts who have years of experience in their respective fields.

Our multi-skilled team will assist the clients at every step till they are comfortable with the solution product.

Applicable at a wide range of Industries

The customized projects can cater to many Industrial needs.

Timeline

Then

Started in January 2019 with only 2 employees.

No products

No clients

No revenue

Now

38 employees with teams in ----

Multiple projects and clientele reach in 7 geographic countries

Around --- USD revenue in 2021.

Best software award In --- in 2019 and 2020.

Product in -----

XXX Product - Commercial Compliance & -----

It is an AI-enabled "-----", Supervision and Inspection System" specially made for the ----.

PHASE 1

(COMPLETED)

Check commercial compliance and permit violations of ---- shops and markets using AI, Computer Vision, --- and ---instead of human inspection

PHASE 2

Introduce Humanoid Interactive Robot to perform market inspection instead of human inspector. Not yet started.

PHASE 3

Introduce ---- to perform market supervision and inspection. Not yet started.

Assistive Innovations

By XXX Team

01

Build Your Own Computer Vision Model

---- is a platform that is a one-of-a-kind Vision ---- model for computer vision tasks, specifically image classification.

02

Empowers Digital Intelligence Voice Transformation

--- is AI, ----- based intelligent voice assistant for any business.

03

Biometric Authentication & Security

---- is an AI-enabled multi-factor, multi-modal and multi-platform biometric authentication and security platform.

04

Log File Analysis & Risk Prediction System

----- is a next-generation AI-built, self-learning log file analysis & error prediction engine designed to be the -----

05

Universal Document Digitization System

---is capable of extracting information and digitizing any ----- document.

06

Suspect Detection & Tracking System

--- is an AI-enabled, self-learning, computer vision-based suspect ----- & -----.

Traction

- **30+** past projects have been executed.
- **25+** clients worked with us.
- Size of the R&D team is **7**
- Client distribution in ----,---- and ----

---- Game Changer

AI could contribute up to \$15.7 trillion to the global economy in 2030.

Artificial intelligence (AI) is both thrilling and apprehensive.

What are the true prospects in the industry?

According to PwC AI Impact Index, there are ~ 300 use cases of AI

With the help of their qualified and insightful crew, XXX will be able to tap into multiple of these use cases.

Financials

Profit & Loss (In USD)	2023	2024	2025	2026	2027
Net Revenue	0.75 M	1.53 M	2.71 M	3.78 M	4.64 M
Net Profit	-1.03 M	-0.76 M	0.03 M	0.64 M	0.95 M
EBIT	-1.03 M	-0.76 M	0.03 M	0.85 M	1.26 M
EBITDA	-1.03 M	-0.75 M	0.04 M	0.86 M	1.28 M
