I hope this email finds you well. Thank you very much for reaching out to Access Bridge Ventures (ABV) regarding the funding round for Finexos to scale.

Brief intro on myself, I work with ABV's investment team to source and screen deals and would like to find out more about the platform. As ABV is actively seeking new investments it would be great to find out more and if direct synergies exist. Please let me know when you are able to schedule an initial call or you can use my calendly link.
