ABOUT THE COMPANY

A generative AI platform that has reimagined how cybersecurity can protect the network infrastructure. The network-centric security solution learns, detects, inspects, and predicts risk with extreme accuracy, providing continuous protection and threat detection with near zero false-positive accuracy at microsecond speeds. This technology is also being leveraged to disrupt the cyber insurance market.

Why work with Qubit Capital?

Pricing

Relatively cheaper in terms of ongoing, recurring costs and closure fees. We charge a minuscule one-time onboarding fee.

Global Access

Not restricted by personal relationships, unlike other IB Boutiques. We provide global access & deliver a 5x number of interested investors increasing the options for the customer and a better selling price.

Speed

We move faster than an offline IB boutique due to the use of technology

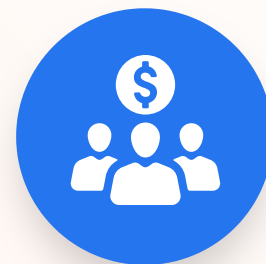

Diversified Network

Network of over 32000 investors who experience in capital raises ranging from Institutional investors to Angels and HNIs; broken down by Sectors, Geographies, Deal types & Sizes and so on.

Key Decision Makers

We reach out to principals at their Fundraising teams

Types of Investors

Strategic Investors, Super Angels and Angels, VCs and Micro VCs, Hedge Funds, PE Funds, Multi Family Offices

Qubit is the fastest and most efficient way to raise capital, worldwide.

Founders need an unconditional solution that functions as an extension of their core team.
We are that solution.

We look forward to working with you on your fundraiser!
Wishing you health and wellness in these unprecedented times.
